

AWARDS AND HONOURS

This year we have 89 applications and the number of winners is 48. May this tribe ever increase.

Our appeals in the columns of our own Bhargava Patrika for establishing Nidhi to recognize and reward talent in hitherto uncovered areas have also been received well and six Nidhis, each of Rs. 25,000/-, have been established during the year. Our special thanks are due to Shri Mathura Prasad Bhargava of Alwar for establishing two Nidhis, Shri Daya Shankar Bhargava of Jaipur, Shri Naveen Kumar Bhargava of Banswara, Shri Rajeev Bhargava of Lucknow and Shri Satya Prakash Bhargava of Dholpur for establishing new Nidhis.

As you are all aware, some of the Nidhis have existed for over 25 years. These were established when Rs. 10,000/- corpus earned good dividend, as interest rates were high and costs of trophies was well within the earnings from the interest. Over the years, the real interest rates have declined and the costs have risen. This has squeezed the available amount for the trophies. Consequently, ABBS Executive Committee decided that all new Nidhis will have a minimum corpus of Rs. 25,000/-. However our requests to increase the corpus of the old Nidhis, smaller than Rs. 25,000/- have not been acceded to. We urge once again to our Well Wishers to make up the difference.

Our special request is to all the office bearers in all local Bhargava Sabhas to make special efforts to collect details of special achievements by our community members in their respective cities and send duly completed details in the prescribed form.

— Dr. Raj Kamal Bhargava
